**About Misty Moon**

Misty Moon was founded in 2008. Starting off as a small Arts and Crafts Fair, it has since evolved to an organisation that specialises in Exhibitions and Events.

In 2010, Misty Moon became involved with the Tank Gallery and the Ladywell Tavern, where they have held critically acclaimed themed exhibitions featuring local artists from in and around London, as well as International Artists from Turkey, Poland and America.

Misty Moon are proud to be the first to exhibit work by American artist and actress, Adrienne King, star of the original Friday the 13th. Events have included music nights with Steve 'Boltz' Bolton of Atomic Rooster and The Who fame.

Misty Moon's exhibitions and events have also featured celebrity guests such as Graham Cole from ITV's The Bill and members of the cast from Ashes To Ashes.

## **About Adrienne King**

Adrienne King is an American actress who is most well known for her portrayal of Alice Hardy in the 1980 Cult Slasher Film Friday the 13th. Adrienne took up painting and much of her work is based on Friday the 13th. Adrienne also makes her own wine, Crystal Lake Wines at The Valley View Winery.

Adrienne became involved with Misty Moon in 2010 by exhibiting her artwork. Adrienne's paintings have been a focal point of Misty Moon since and have sold well. After the success of these exhibitions, Adrienne is coming over to London in September 2011 to appear at her very own Misty Moon Exhibition at The Tank Gallery.

## **About The Tank Gallery**

Tank is a dynamic space in which art is created, shown, tested and talked about.

Tank is committed to presenting interesting and challenging contemporary art, produced by local and international artists. Focusing on installations, site specific and live art, we encourage experimentation, freedom of concept, technique, process, material and style.

Founded in April 2009 Tank has hosted an ambitious program of exhibitions, talks, film screenings, workshops, performances and literary events.

## **About The Ladywell Tavern**

Tank belongs to the wonderful Ladywell Tavern which is not only a vibrant and welcoming pub but has also recently won Best Pub 2010 in the Lewisham Mayors Award. A family (and dog) friendly pub with an open fire, a rear garden the Ladywell Tavern serves well looked after ales and great food. It is the perfect partnership for opening nights and combining a Sunday lunch with an exhibition visit.
